OPP Update methomyl and carbaryl draft BEs 4.3.17 after fead edits ap edits.docx

Hi folks,

This is the latest version of the OPP update that will go out as soon as we get the thumbs up to release the methomyl and carbaryl draft BEs. Anita Pease, Phil Villanueva, and FEAD already looked at this. Sending this along in case you folks had comments. Does this need to be sent up to Yu-Ting?

Thanks,

Khue Nguyen
